

# Camp Westminster 2018 Spring Wake-up Weekend May 18-20

In the north, on Higgins Lake so blue, there's a camp that needs some help from **you!** If you're looking for a mini-mission opportunity, here it is!

**Camp Westminster** announces its annual **Clean-up** and **Open-up Weekend**.

Work will include raking paths, cleaning cabins, removing shutters, putting up screens and minor repairs. There's a job for everyone. No special skills are necessary!

It's refreshing to spend a weekend at camp. You'll meet fun co-workers, feast on delicious camp meals, and enjoy the waves lapping on the shore. Most importantly – many hands make light work!

Register online call the camp office 313-341-8969 to let us know that you are coming. Thank you so much for considering this important ministry opportunity!
