

Just making your plans for summer? Register your child or youth (ages 7-17) for a week of camp at Camp Westminster on Higgins Lake! Owned and operated by Westminster Presbyterian Church of Detroit, Camp Westminster has served as a beautiful space for God's ministry since 1925. Campers and counselors form a welcoming, loving and fun Christian community in the outdoors with opportunities for swimming, sailing, canoeing, climbing, hiking, sports, archery, crafting and more. Check out this summer's schedule at www.campwestminster.com.
